

2017 OPEN ENROLLMENT SCHEDULE

WORKING AT HEIGHTS MOL APPROVED

PRICE: \$295 + HST / 8HRS. (lunch incl.)

July 26	Sept 20	Nov 13
Aug 21	Oct 2	Dec 11

If your workers face fall hazards, you're required to provide them with Fall-Protection training. TEAM-1 Academy is the industry benchmark and gold standard when it comes to Fall Protection Training. All of our courses meet and exceed Ministry of Labour Standards and are customized to your location. Over 1000 courses were taught last year to Government Agencies, Fire Departments and Fortune 500 companies.

CONFINED SPACE ENTRY 8HRS

PRICE: \$295 + HST / 8HRS. (lunch incl.)

July 27	Sept 21	Nov 16
August 24	Oct 3	Dec 14

All workers that are involved in confined space work must have adequate training. This 8 hour course will cover the necessary components to conduct confined space entries (Entrant, Attendant and Non-Entry Rescue) safely and efficiently, while following legislative requirements.

CONFINED SPACE RESCUE 8HRS

PRICE: \$295 + HST / 8HRS. (lunch incl.)

July 28	Sept 22	Nov 17
Aug 25	Oct 4	Dec 15

This 8 hour course covers the necessary components to conduct confined space rescues (Non-Entry + Entry Rescue & Vertical + Horizontal) safely and efficiently, while following legislative requirements. It is a fact that Confined Space Rescuers have had more fatal injuries than the actual entrants. This course is 80% practical.

TDG - TRANSPORTATION OF DANGEROUS GOODS

PRICE: \$195 + HST / 4hrs

July 24	Nov 14	Sept 18
---------	--------	---------

The TDG course is designed to ensure that the participant becomes familiar with the necessary aspects of the dangerous goods regulations. Emphasis is placed on dangerous goods identification and classification. Upon completion of this course your personnel are expected to be able to recognize the dangers associated with all TDG classes and complete a dangerous goods bill of lading.

EMERGENCY SPILL RESPONSE

PRICE: \$195 + HST / 4hrs

July 24	Sept 18	Nov 14
---------	---------	--------

This Spill Response course is prepared to give the employee the basic skills to understand what is involved in cleaning up a basic chemical spill. Upon completion of this course your personnel are expected to access and utilize their companies spill clean-ups supplies safely & effectively. Training by TEAM-1 Academy is performed by members who deal with emergency response on an ongoing basis.
